Co-requisite

A co-requisite is a course which must be taken in the same term as the course to which it is a co-requisite. If two (or more) courses must absolutely be taken in the same term, co-requisites should be used.

Pre-requisite

A prerequisite is a course which must usually be completed in a term earlier than the course for which registration is attempted and prerequisites are being checked.

Concurrent Pre-requisites

The Concurrency Indicator is used to modify a prerequisite requirement and indicate that the prerequisite course can be taken either in an earlier term or in the same term as the course in which registration is attempted.
